LETTER FROM SECRETARY GENERAL

Greetings Delegates,

I am honored to invite you to the 11th edition of NSUT's Model United Nations, taking place on April 5-6, 2025. Over the years, NSUTMUN has earned its place as one of the circuit's most prestigious debating conferences, and my secretariat and I are committed to furthering this legacy.

MUNs are more than just simulations; they are reflections of real-world UN discussions that shape global geopolitics. As delegates, you hold the power to drive meaningful conversations, build lasting connections, and contribute to shaping a better future. History may repeat itself, but through dialogue and diplomacy, we can strive to rewrite it for the better.

At NSUTMUN, we uphold three core values: Diplomacy—the art of expressing opinions while fostering consensus, Diversity—embracing differing perspectives to strengthen discourse, and Dissent—having the courage to stand by what is just. These principles have guided us for the past decade and remain at the heart of our conference.

To my delegates, I hope this experience challenges and inspires you, as it has for so many before. No solution is impossible, no dream too ambitious, and no ideal out of reach. Whether you are a seasoned debater or stepping into a committee for the first time, NSUTMUN is a space where every voice matters.

We look forward to welcoming both returning and new participants, eager to see you rise to the challenges ahead. See you at NSUTMUN 2025!

Sincerely
Pranjal Kumar

WHAT IS MUN?

Model United Nations is an academic simulation of the United Nations where real time world problems are discussed and deliberated in respective committees. It aims at drawing practical and feasible solutions of the given problem. It's evident that today's learner would be tomorrow's leader and Model UN teaches students about the world.

Problems taking place halfway around the globe impact our lives, our country, and our communities. Students learn about the world as they prepare for Model UN conferences, represent countries other than their own and develop pragmatic thinking, solution oriented approach and leadership qualities by virtue of these conferences. Along with that confidence building, documentation writing, critical thinking and analysis, cooperation and the skill to lobby are the key takeaways in an MUN conference.

ABOUT NSUTMUN

NSUTMUN conference is a part of the literary and debating festival of NSUT “COLLOQUIUM”. NSUTMUN is the flagship MUN conference organised by the debating society of NSUT. It has been the legacy of the MUN department of DebSoc, NSUT wherein for two days the international issues enter our university gates to seek a solution for themselves. NSUTMUN provides a platform for debaters and public speakers to learn about prudence, international relations, geopolitics and its importance in the current times and the UNITED NATIONS.

The Secretariat presents the eleventh edition of NSUT Model United Nations conference, to be held on 5th April - 6th April 2025 with seven committees + IP to be stimulated. The expected turnout of MUN enthusiasts from different schools and colleges stands at 500+.
